

COSTA RICA

SPRING BREAK

AGRICULTURAL, ENVIRONMENTAL
& COMMUNITY SUSTAINABILITY

Dates: March 14-22, 2026

Credits: AGRY 399 or AGR 493 – 1 Credit

Locations: San Jose, Sarapiquí, Kikiri, La Fortuna, Uvita, Puntarenas

Cost: \$3200, includes airfare, accommodation, in-country transportation, entrance fees, meals

Program Leaders: Dr. Corey Gerber (cgerber@purdue.edu) & Mandy Chalk Marquardt (chalkm@purdue.edu)

Callout: Sept 9, 2025 @ 5:30 PM LILY 3102

Discover the vibrant intersection of agriculture, environment, and community in Costa Rica this spring break! Immerse yourself in sustainability as you explore coffee, pineapple, and cacao farms, witness the majestic Arenal Volcano, and hike through lush rainforests. Adventure awaits with snorkeling in the Pacific's diverse waters plus relaxing in natural hot springs. Indulge in delicious cuisine and experience Costa Rica's colorful culture – and that's just the beginning!
