Explore the heart of Ireland through agriculture, horses, and history!

This immersive study abroad program takes you across stunning landscapes—from the rolling hills of County Mayo to the rugged Dingle Peninsula. Tour world-renowned equine facilities like Coolmore Stud, the Irish National Stud, and university equine programs. Visit innovative farms, the College of Agriculture, Food and Rural Enterprise (CAFRE), and gain insights into rural life and sustainability in Ireland. Along the way, you'll hike in Wild Nephin National Park, ferry to the Aran Islands, and stand atop the Cliffs of Moher. Cultural highlights include a walking tour in Derry, a traditional jaunting car ride in Killarney, and time to explore vibrant cities like Galway, Kilkenny, and Dublin. Whether you're passionate about agriculture, natural resources, or Ireland's rich heritage, this program offers unforgettable hands-on learning and cultural discovery.
