

SWEDEN & NORWAY

SHORT-TERM SUMMER

INTERNATIONAL NATURAL RESOURCES

Dates: June 22–July 10, 2026

Credits: FNR 460 – 3 credits

Locations: Uppsala, Stockholm

Estimated Cost: \$4440, includes some meals, accommodation, activities, transportation, admission fees

Program Leaders: Dr. Tomas Hook (thook@purdue.edu) & Dr. Douglass Jacobs (djacobs@purdue.edu)

Callout: TBA

In this course, we examine natural resources broadly defined, including fisheries, forestry, fisheries, wildlife, agriculture, mining, outdoor recreation, and urban sustainability. We will define, discover and document examples where sustainability of resource use matters. The course explores the effect of terrain, climate, vegetation, faunal assemblages, social structures and technologies on natural resource use. The course is a collaboration of Purdue University, North Carolina State University and Swedish University of Agricultural Sciences.
