

The Garden Club of America will again be offering its full array of 28 scholarships, fellowships and awards and are very pleased to be included on your website. Please direct potential applicants to the GCA website: <https://www.gcamerica.org/scholarships>

There one will find each of the 28 offerings fully described with links to apply. Applications open for most awards on Sept. 15, 2021. **Due dates vary, but are generally in January 2022.** Recipients of awards are notified in March 2022.

Enquiries should be directed to this email: [scholarshipapplications@gcamerica.org](mailto:scholarshipapplications@gcamerica.org)  
A member of GCA staff or the GCA Scholarship committee will respond.

We hope that many Pursue students in agricultural science, botany, horticulture and landscape design will apply. An applicant is allowed to apply to only one of our awards per year. Applicants must be US citizens or legal residents to be eligible.

Please let me know if I may be of further assistance.
