

LALLEMAND SCHOLARSHIP 2020 DOCTOR OF VETERINARY MEDICINE

Lallemand Animal Nutrition, North America, is proud to announce its sixth annual Lallemand Forward scholarship to help support future generations of animal agriculture.

One, \$3,000 USD scholarship will be awarded to a full-time, third-year production livestock Doctor of Veterinary Medicine in the United States, Mexico or Canada.

Veterinary Student Guidelines:

- Must be enrolled in their third year of a Doctor of Veterinary Medicine program focused on production animals
- Must have a cumulative GPA of at least 3.0 on a 4.0 scale
- Must complete scholarship application form
- Must submit 300 to 500 words on career plans after graduation
- Must submit a 300 to 500 word essay answering ONE of the following questions: *Essays will be assessed on grammar, creativity, originality and addressing the question completely.*
 - 1. What are some of the most important things that you want the general public to know about the agriculture industry and why?**
 - 2. Pick a controversial topic for the agricultural industry and suggest a solution.**
 - 3. What do you believe are the most significant changes agriculture producers must make in the next 5 years and why?**
- All applications must be submitted in English

Selection process:

- All essays will be reviewed by the Lallemand Animal Nutrition, North America scholarship committee
- Applicants will be assessed based on completion of all scholarship materials. More weight will be placed on the essay, which must show creativity, original-thought and progressive thinking.
- Essays, transcripts and application form must be submitted to lanscholarship@lallemand.com by Thursday, September 30, 2021, 11:59 PM CST. No late scholarship submissions will be accepted.
- Scholarship recipients will be notified no later than November 1, 2021.
- The scholarships will be awarded during the 2022 spring semester.

If you have any further questions, please contact lanscholarship@lallemand.com
