	HUM/SS Selective	3	Writ/Oral Comm Selective	3	
	ANSC-Restricted Selective	3	Free Elective	2	
	17		16		

- \*Courses fulfill the College of Agriculture Capstone course/experience requirement.
- Specific course names/numbers may vary per semester depending upon availability. Advanced Placement, transfer, or test-out credits may reduce semester loads.
- Courses shown here must meet University Core Curriculum and College of Agriculture requirements for International Understanding (9 credits) and Multicultural Awareness (3 credits). Programs must also satisfy the University's Civics Literacy Proficiency requirement and include at least 32 credits of Purdue courses at or above the 30000-level.
