

# PATHWAY to PURDUE

Explore the possibilities of earning your degree at Purdue University through a partnership between Ivy Tech Community College and the College of Agriculture.

## Why Pathway to Purdue?

- Co-enroll in Ivy Tech and Purdue
- Receive the benefits of both institutions
- Earn two degrees – associate degree from Ivy Tech and bachelor of science in agriculture from Purdue
- Transfer credits seamlessly
- Live on campus as part of the Ag Pathway Living/Learning Community

College of Agriculture

Purdue University is an equal access/equal opportunity institution.

## Who is eligible?

Indiana residents who:

- Have earned a high school diploma or equivalent certificate prior to enrollment
- Have been deemed "Program Ready" by Ivy Tech
- Meet Purdue's minimum high school coursework expectation for admission
- Have not earned more than 15 credit hours from another college or university after graduating from high school

*A partnership between Purdue College of Agriculture  
and Ivy Tech Community College-Lafayette*

*"The best part of going through the Pathway to Purdue program was the connections I was able to make. Being a part of a small community of peers with shared passions and end goals helped me find my place in agriculture and helped prepared me for my future at Purdue University."*

— Lillie Boyer
