

Scholarship Opportunities

The Illinois Landscape Contractors Association (ILCA) through the Illinois Landscape Charitable and Educational Organization (ILCECO) plans to award \$30,000 in scholarships this year.

These scholarships are for any Illinois resident pursuing a green industry related degree and career path.

Part-time and full-time students in the following degree fields may submit:

- Horticulture
- Environmental Science
- Landscape Architecture
- Botany
- Agronomy

Special Note: Transcripts can be the unofficial printouts from the university. They do not need to be the sealed versions. ILCA-ILCECO understands that many schools are switching to those in many cases.

In 2023, the following scholarships will be awarded:

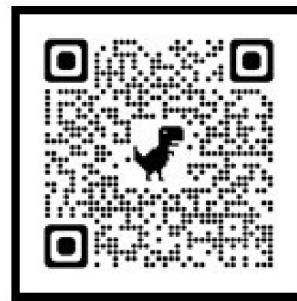

College

- One (1) \$10,000 scholarship
- Two (2) \$5,000 scholarships
- Four (4) \$2,500 scholarship

High School

There are five \$1,000 scholarships available to high school students entering green industry-related fields.
