HIST 112 (HUM/FA)	HIST 10400
SOC 114 (SBS)	SOC 22000
BIOL 161 ¹ (ELECT)	BIOL 11100 ¹

Courses in this color are required for the AA degree.

¹ BOTH BIOL 160/161 must be completed to earn credit for BIOL 11000/11100.

² A second semester of English composition is NOT required for College of Agriculture plans of study, effective F17.

³ A computer course is NOT required for Purdue Agriculture.

All courses must be earned with a minimum of C- to be eligible for transfer to Purdue University. Students must meet high school and transfer requirements prior to transfer. Course equivalencies are subject to review and may change at any time. See Purdue's [Transfer Equivalency Guide](#)[^] to confirm current equivalencies.

Welcome to Purdue Agriculture! Did you know nearly 15% of our students transferred from other institutions? Start your degree in agriculture at Illinois Central and finish at Purdue's College of Agriculture, the 12th ranked agriculture college in the world and 6th in the USA.

On the left, you'll see a list of courses you can take at Illinois Central that apply to your Purdue Agriculture degree. You can choose from a number of agriculture and general education courses taught at Illinois Central.

Your plan may look different from the one shown here, as the courses listed are examples, which may alter depending on your [Plan of Study](#)[†]. Always consult and follow instructions from your academic advisor to ensure degree completion.

The application process is easy. For details, visit the Office of Admission website:

www.admissions.purdue.edu/transfer
