

TRANSFER TO PURDUE AGRICULTURE

Start your degree in agriculture at Ivy Tech Community College and finish at Purdue's College of Agriculture, the 8th-ranked agricultural college in the world.

At the right you'll find a list of courses you can take at Ivy Tech Community College that apply to your Purdue Agriculture degree. You can choose from a number of agriculture and general education courses taught at Ivy Tech Community College.

Remember that your plan may look slightly different from the one shown here, depending on the courses you select.

Always consult and follow instructions from your academic advisor to ensure degree completion.

The application process is easy.
