

Barn Manager Position

Barn Manager Position Available

Ashland Farms, located in Lafayette, Indiana, is currently seeking a mature and organized individual who is a demonstrated self-starter and team player to serve as Barn Manager for a small equine retirement farm. Duties will include managing a small staff, ordering/purchasing supplies, scheduling services, and assisting with overseeing facility and grounds maintenance. Average time commitment is approximately 20-25 hours per week. Previous industry experience is required.

Ashland Farms is located on 30 acres at privately owned facility that serves as retirement home for approximately 15 equines. Our farm maintains a high level of animal care for our equines in a park-like setting. Facilities include three equine buildings, multiple pastures, indoor/outdoor arenas, and several pasture shelters.

Job duties include overseeing daily horse care and operations, barn organization, maintaining staff and barn schedules, turnout, feeding, grooming, performing night checks and some groundskeeping, etc.

Our successful candidate will be an effective communicator, be able to critically think on their own and solve problems rationally, be practical yet creative, enjoy working around equines and people, and be able to prioritize a lengthy list of tasks on any given day. In addition, they must possess a positive and proactive attitude and be able to engage with a diverse group of audiences.

Ashland Farms is the perfect fit for someone who is passionate about equines, is focused on providing the best care for our retired horse friends, and finds joy in working in a beautiful stable every day with amazing horses. We look forward to finding the right person to join our team.

Private housing is available on site.
