

## Attention: Seeking Summer Intern

Cashen Creek Florist in Plymouth, Indiana is looking for a summer intern to assist their operation. The desire is to hire a person willing to learn and bring their experience and passion for agriculture and floragriculture.

Interested candidates should submit a resume and cover letter to the attention of Beth Cashen at [stroyer@cashencreek.com](mailto:stroyer@cashencreek.com).

The intern position would run from May through August. The candidate must be a self-starter and able to accomplish all the needs of the flower farm including planting, bed prep, plant care, floral processing, and harvesting. Maintaining the crop with proper water and weeding. Crop records must be maintained and communicated with the owner for crop production. The person must be able to lift, bend, walk the entire shift and work in weather that will encompass all types of elements. They often may be working alone or within a team dependent on harvest and farm needs. Hours will be varied from early morning to early evening for the best harvest.

Please contact Beth Cashen for additional questions at [stroyer@cashencreek.com](mailto:stroyer@cashencreek.com).
