

FALL 2025 CAREER FAIR

OCTOBER 7 · 10:00 AM - 3:00 PM (EST)

France Cordova Recreational Sports Center
355 N. Martin Jischke Drive, West Lafayette, IN 47907

Purdue University's College of Agriculture hosts career fairs each fall and spring semester to connect students with employers, internships, and career opportunities. We invite employers from all sectors of agriculture to participate.

The career fairs are open to agriculture students from all majors, departments, and class levels. Employers can build connections with undergraduate students early on as students explore career paths. Alumni, students from other colleges at Purdue, and students from partner institutions are also invited to attend, expanding the networking potential for all involved. The career fair is an opportunity for students to engage in meaningful conversations with professionals working in their areas of interest, submit resumes, learn about careers, and interview for open positions.

Thank you for engaging with Purdue Agriculture. We look forward to providing you with a positive career fair experience!

Please review this document carefully before submitting your registration.

**Registration closes Friday, August 29 at noon (EST)
or when capacity is reached.**
