

Welcome to Conrad Farms and Conrad Excavation, LLC. We are a 4th generation farming operation focused making the most of every acre with talent and technology. We are spoon feeding crops to minimize inputs while maximizing yields. Our operation is based upon diversification to allow us to weather the storm of downturns in the Ag economy. Some of the other area's that we are focused on currently are installation of field tile, construction of waterways, custom application of chemicals and nutrients, and are a Becks seed dealership.

We are looking for a self-motivated, driven individual to be a part of our farming / excavation operations as a **Farm Equipment Operator** in Alexandria, Indiana. The right individual will have the opportunity to advance to a leadership role in the future.

So why Conrad Farms? Here you will be able to be a part of a team that will grow your skills in many areas, not only in farming, but in other side jobs as well. You won't get bored working here as we do something different throughout each season of the year.

Key Responsibilities:

- Operation of farm and heavy equipment
- General maintenance of farm and heavy equipment
- Safety - This is everyone's responsibility
- Other duties around the farm or excavation business

We are offering:

- Competitive pay based upon skills and experience
- Paid vacation after one year of employment
- Opportunity to grow in responsibility as skills grow

Qualifications:

- US Citizen
- Some secondary education, Ag Preferred
- Valid driver's license and reliable transportation (CDL huge plus)
- Ability to obtain Applicator license after 90 days
- Positive attitude and a team player
- Ability to work long hours seasonally
- Ability to work with technology and desire to learn new skills

Interested candidates, please send your resume and cover letter to: dallasconrad@comcast.net
