About Midwest

Growing and propagating over 20 Million of the finest wholesale plants in the Midwest. Although Groundcovers are our specialty, Midwest Groundcovers' plant offerings include Evergreens and Broadleaves, Deciduous Shrubs, Perennials, Ornamental Grasses, Vines and Native Prairie, Wetland and Woodland species. We are leaders in the Green Industry in partnering with landscape architects, landscape designers, green roof and plant professionals to create inspiring planting combination solutions. Experts in plants for Midwestern durability and sustainability for over five decades.
