

LTE Job Posting for Shawano and Wild Rose Habitat

Eastern District Fisheries Operations is hiring 3 LTE's to complete trout habitat and accessibility work in Northeast Wisconsin. 1 position will be located at the Wild Rose Habitat Station and 2 positions will be located in Shawano/Lakewood area.

These position will operate chain saws, pumps, generators and a variety of hand tools; construct common trout habitat improvement structures and perform streamside fishability/accessibility brushing as well as operating Department vehicles and other equipment necessary to meet project needs.

The Shawano/Lakewood positions are summer opportunities and are ideal for students who will be returning to school in the fall.

Housing is available for the Shawano/Lakewood positions.

These position will work 40 hrs per week.

Required Qualifications:

- Ability to operate hand and power tools
- Knowledge and understanding of fisheries biology/ecology /habitat
- Ability to work independently, unsupervised or in a team setting
- Ability to work outdoors in a variety of weather conditions and on uneven/unstable terrain
- Possess a valid Driver's License

Application Deadline: March 28, 2023

\$16.00 per hour
