

Purdue Wine Grape Team

The Purdue Wine Grape Team serves Indiana's vintners and growers by providing expertise on viticulture (grape growing), enology (wine making), and marketing. This position, based in Food Science, will have part-time work available.

The Purdue Wine Grape Team is seeking student personnel for late-spring and summer work. Students must be able to lift 40# and do not have to be 21.

Interested students should email Katie Benner (vino@purdue.edu) or Jill Blume (blume@purdue.edu) or drop by Nelson Hall of Food Science, Room 1251.
