Sponsored by Corteva Agriscience, the Support for Success Program enhances students' professional development and sense of community. Each year, we host a variety of workshops, a leadership retreat, and a major community experience, along with additional activities through collaborations across the College of Agriculture and the university.

Since fall 2021, over 1,500 people have participated in our events! Each semester, we strive to offer new, engaging events based on feedback from past attendees.

SUPPORT FOR SUCCESS PROGRAM

CAREER PLANNING FOR MY MAJOR - 10.01.2025

Led by the Purdue Center for Career Opportunities, explore personal interests, abilities, values, and skills, and learn how they connect to career opportunities. Gain insight into the world of work, the importance of research and exploration, and how to navigate the career discovery process based on your major. Plus, enjoy a free lunch!

When: 10.01.2025 @ 12:00 - 1:00 PM
Where: Whistler Hall (WSLR), Room 116
