

Agriculture Students: Are you comfortable around livestock? Come join us at Swaim Ag Service. We are looking for someone to work 5-6 days a week depending on the week. Flexible schedules (with the exception of a few weeks each summer). The job would include time in our retail feed store learning about show feeds and also evaluating fields to help support customers. You may also assist on the farm in our livestock barn. Our business is family oriented.

Interested students please call or email Lori Swaim
