

Education and Engagement Intern – Summer 2026

Visit us at the College of Ag Career Fair on Oct. 7!

The education and engagement team at Indiana Farm Bureau, Inc. focuses on educating students and the public about agriculture, as well as offering networking and leadership development opportunities.

As a summer intern you will work approximately 37.5 hours per week at our downtown headquarters, from mid-May to Mid-August:

- working with programs and activities that enhance student and consumer understanding of modern agriculture
- researching elementary agriculture-accurate books and developing educational materials for volunteers and teachers
- preparing and facilitating lessons for AITC summer workshops
- developing content to enhance specific Indiana agriculture lessons and/or kits
- preparing and delivering lessons to students at the Felege Hiywot Center
- working with member volunteers and INFB staff during the Indiana State Fair, Taste from Indiana Farms, and the Young Farmers & Ag Professionals planning meeting.

Why intern with us?

- We are Indiana's largest farm organization, advocating for agriculture and improving the economic and social welfare of our member families and our communities
- Paid internship in a welcoming environment where we are committed to helping you grow personally and professionally
- Downtown location with free parking, onsite café and fitness center.

Preferred qualifications

- Applicants pursuing an agricultural education or agricultural communications degree
- Experience in preparing educational lessons and activities to middle and high school students
- An agricultural background.

Required qualifications

- Applicants who are self-motivated, creative, detail-oriented, have an awareness of Indiana academic standards, and can establish clearly defined goals and objectives for projects.
- A college student in their sophomore through senior year.
