

# FARM EQUIPMENT OPERATOR

## JOB DESCRIPTION:

This position has varying responsibilities and plays an important role in the growing process. Your job will consist of indoor and outdoor work. You'll get to operate and maintain farm equipment. During the off-season, you will be performing equipment repairs and general maintenance around the facility and farm. This is a full-time position with extended seasonal hours.

- Maintain a clean and organized shop.
- You will receive on-the-job training from other experienced technicians.
- Training will include farm machinery, semi-tractors, semi-trailers, and support equipment maintenance.
- You will also learn to complete inspections, maintenance records, and order supplies/parts for the shop.
- Opportunities to work closely with business owners and/or management daily.

## REQUIREMENTS:

- Operate and maintain farm equipment as directed by farm or shop manager.
- Assist in repairs and maintenance of farm- and grain-related equipment.
- Keep accurate records of work completed, including maintenance records.
- Perform other general farm- and grain-related duties.
- You will have the opportunity to work with ownership and/or management daily.

## BENEFITS:

- Health Insurance and company HSA contributions. Supplemental insurance available.
- 401(k) plan with company contributions
- Paid holidays, paid vacation, and PTO
- Uniform allowance
- Wellness bonus, attendance bonus and production bonus
- Opportunities for advancement available

**THIS POSITION IS FOR FULL-TIME EMPLOYMENT (40+ HOURS/WEEK) BEGINNING IMMEDIATELY.**
