

## **Public Policy Intern – Summer 2026**

### **Visit us at the College of Ag Career Fair on Oct. 7!**

The Indiana Farm Bureau, Inc. public policy team advocates on behalf of Hoosier farmers and Indiana agriculture. While our lobbyists push through state legislation, on-the-ground teams assist individual farmers with local concerns. Staff, leadership and volunteer members also advocate in Washington to make sure federal policy favors farmers and agriculture.

As a summer intern you will work approximately 37.5 hours per week at our downtown headquarters, from mid-May to Mid-August, with the possibility of occasional after-hours events.

Work will center on activities that enhance Farm Bureau member engagement in public policy and understanding how the policy will impact Indiana agriculture.

#### **Why intern with us?**

- We are Indiana's largest farm organization, committed to improving the economic and social welfare of our member families and our communities
- Paid internship in a welcoming environment where we are committed to helping you grow personally and professionally
- Downtown location with free parking, onsite café and fitness center.

#### **What we're looking for:**

- Agricultural background preferred
- Strong interest in public policy issues and government
- Ability to communicate effectively with a variety of audiences and personalities
- Time management and organizational skills
- Applicants should be self-motivated and detailed-oriented
- Working knowledge of Microsoft Office
- College student in their sophomore through senior year
