Student Signature: _____

Date: _____

Mentor Signature: _____

Date: _____

Instructions for completing the Capstone Agreement form

Click inside the appropriate field and type the requested information directly into the boxes provided. Print the form and obtain the necessary signatures and dates. Return the form to Amanda Wilson apendle@purdue.edu by the due date listed on the course syllabus.

1) Project Type: Provide the specific type of project you will be undertaking (i.e., research, outreach, internship, study abroad, or a combination of two or more of these)

2) Is this a team or individual project? Please state whether this project will be an individual (one student) or team (2 or more students) effort.

3) If this is a team project, who are your team members? If the project will be a team effort, please provide the full names of all teammates (aside from yourself).

4) Project Title: Provide a descriptive title for your project. You may change the title later if necessary.

5) Project Description: Provide a brief, but informative description of the project. For team projects, describe the overall project and your individual responsibilities.

6) Name of Student: Provide your first and last name.

7) Expected Graduation date: Provide your expected graduation date (mm/yyyy).

8) Name of Mentor: Provide the first and last name of your project mentor.

Signatures: Provide the appropriate signatures in the spaces provided along with the date of each signature.

**Make a photocopy of the agreement for your records.
The original will be filed in the Entomology Teaching Office.**
