

THE DEPARTMENT OF ANIMAL SCIENCES PRESENTS:

# HEATHER HILL

*2025 Purdue Agriculture Distinguished Alumni Award Recipient*

## THE STATE OF THE PORK INDUSTRY FROM A PORK PRODUCER'S PERSPECTIVE

09/19/2025 | CRTN 1042

**Talk: 1:00 p.m.**  
**Reception: 1:30 p.m.**

Heather Hill (BS '99), Purdue Animal Sciences alumna and Advisory Board member, co-owns Hill Farms in Greenfield, Indiana, producing crops and 12,000 hogs annually. She also co-founded The Pork Shoppe, a retail pork business. A past president of the National Pork Board, Heather will share insights on the U.S. pork industry from a producer's perspective.

A reception with light refreshments will follow her talk to celebrate her 2025 Distinguished Alumni award and her support of Purdue Animal Sciences.
