EXTENSION

2025 Maple Bootcamp

Maple Bootcamp is a **3-day** workshop that will provide intensive hands-on-training for beginner and intermediate maple producers. Starting the first day we will learn how to assess a potential sugarbush, then build sequentially through all phases of maple syrup production from sap collection to boiling, bottling and sales. Participants will gain the skills necessary for the safe, efficient, and profitable production of maple products. Classroom sessions will be held at Lake Metroparks Farmpark with several tours and field trips to local maple operations.
