

# International Natural Resource Issues in Sweden and Norway

## Call-out:

Thurs. 7-Dec. 5:30-6:30 PM

Forestry Building 208

In Summer 2024, course will be held in Sweden and Norway (July 1 – July 26).

Purdue contacts: Dr. Doug Jacobs, [djacobs@purdue.edu](mailto:djacobs@purdue.edu)

Dr. Tomas Höök, [thook@purdue.edu](mailto:thook@purdue.edu)

*In this course, we examine natural resources broadly defined, including fisheries, forestry, wildlife, agriculture, mining, outdoor recreation, and urban sustainability. During four weeks we discover and document examples where sustainability of resource use matters. The course explores the effect of terrain, marine dynamics, climate, vegetation, social structures and technologies on natural resource use. The course is a collaboration of Purdue University and North Carolina State University.*
