OUTREACH NOTICE
Interdisciplinary (Social Science Program Specialist/Natural Resource Specialist)
Southwest Region - Gila National Forest, Silver City, New Mexico
GS-101/401-11 (Full Time - Permanent)

Please help us distribute this outreach notice for a GS-101/401-11 Interdisciplinary (Social Science Program Specialist/Natural Resource Specialist) position at the Gila NF Supervisor’s Office in Silver City, NM. The Gila NF is revising its Land Management Plan (i.e. Forest Plan), and as part of this effort, we are recruiting a Social Science/Economics/Recreation Specialist to be part of our core planning team. This position is a unique opportunity to be involved in the revision effort under the new 2012 Planning Rule, helping to lead issues related to Designated Areas (including Wilderness and Wild and Scenic Rivers), Socioeconomics, and Recreation. The Gila area is quite biologically, culturally, and topographically diverse with a mild climate, and Silver City is an interesting historic community. This notification is being circulated to inform prospective applicants of this upcoming opportunity, and to help make future decisions about recruitment for this position. Individuals stating interest in this position will be notified when the vacancy announcement is posted so they can apply.

The outreach notice has the pertinent information and can be accessed through the outreach database at the following web address: https://fsoutreach.gdcii.com?id=C1562AF8ED1F4D4292DD423C90E3C9A2.

Please share this opportunity with those folks who might be interested from both within and outside the agency. For additional information, please feel free to contact Art Telles, Natural Resources and Planning Staff Officer, at atelles@fs.fed.us or 575-388-8417. Please respond to the outreach notice by January 22\textsuperscript{nd}, 2016 if interested.

Thank you,
Matt
