Title: Consulting Forestry Technician

Contact: Mike Warner, President Arborterra Consulting Inc.

Location: Arborterra Consulting Inc., 202 West Main Street, Lizton, Indiana

Contact: Mike Warner; Phone: 317-796-7154; email: mwarner@arborterra.com

Hourly rate: $12 to $15 per hour based on experience and skills.

Duration: Full time beginning May 1, 2016.

Job description: This position works independently and or with supervision from Arborterra Consulting Inc. staff performing work activities associated with data collection for forest management plans, timber stand improvement, invasive species management, tree planting, timber inventory, timber sale administration, and landscape maintenance. Duties will include vegetation management, equipment maintenance, inventory work, small equipment operation such as chainsaws, tractors, mowers, sprayers and skid loaders, and data input. The Technician must use safety equipment and must maintain a safety conscious attitude at all times. The technician will assist with the Arborterra Consulting website maintenance and social media presence. This is a full time 40 hour / week position.

RESPONSIBILITIES AND SCOPE

- Supervises no staff, but will help plan and direct work.
- Requires considerable physical exertion and/or muscular strain.
- Additional hours may be required as need during peak work seasons.
- Makes day to day decisions as delegated by supervisor.
- May be required to work independently.
- The technician will interact with Arborterra Consulting clients.
WORKING CONDITIONS/PHYSICAL EFFORT

• May work in variable weather conditions, at remote locations, on difficult and hazardous terrain, and under physically demanding circumstances.

MINIMUM QUALIFICATIONS

• High school diploma and 2 year’s training in forestry-related field or related experience in land management.
• Experience recognizing plant and animal species.
• Experience operating various types of equipment.
• Experience working in a team environment.
• Basic computer operation and manipulation.
• Must be able to obtain related licenses or certifications as required. (e.g. First Aid, CPR, herbicide application, and driver’s license).

PREFERRED QUALIFICATIONS

• 2 years’ experience in forestry/land management.
• Experience working with or knowledge of natural systems.
• Ability to recognize plant and animal species as required to complete management activities.
• Ability to operate various types of equipment in a safe and efficient manner (e.g.; lawn mower, chainsaw, tractor, etc)
• Ability to follow instructions from colleagues
• Ability to perform physical work, sometimes under adverse conditions or in inclement weather
• Basic computer application skills
• Ability to function productively as a member or leader of a work team.
• This position requires a valid driver’s license.
