Job Title: Seasonal State Worker - Forestry Property Intern, various properties

Job ID: 601097

**Apply Before: 04/25/2016**

To Apply

Location: Marion County

Full/Part Time: Full-Time

Salary: $14,378.00 Intermittent

City/County/St: Indianapolis, Marion County, IN

**Job Description:**

The Indiana Department of Natural Resources is currently seeking a Forestry Property Intern. This position will serve as a timber technician at the State Forests. Duties may include assisting with forest inventories, timber marking, management plan writing, educational programs, timber stand improvement, and other aspects of forest management.

**Preferred Experience:**

Applicants should have, or be actively pursuing, a minimum of a bachelor’s degree in Forestry, or have an associate’s degree in Forestry from a technical school.

Working knowledge of forestry tools, forestry equipment and basic principles of topographical map reading, aerial photo interpretation.

Ability to communicate effectively both orally and in writing

Good customer service skills

Ability to carry out assigned tasks with general instruction and little supervision

Proficiencies in Microsoft Office

Valid Indiana driver’s license

**Additional Comments:**

This is a seasonal position working from approximately May through September.

Positions are located throughout the state on Forestry properties.

Outdoor work includes work in all weather conditions, including inclement or uncomfortable weather.

Work sites are often remote and in areas of rugged terrain, requiring considerable physical exertion.

**Equal Employment Opportunity:**

The State of Indiana is an Equal Opportunity Employer.
