Aquatic Control Inc. is a privately owned lake and pond management company with a main office in south central Indiana and satellite offices in Valparaiso, Indiana, St. Louis, Missouri, Elizabethtown, Kentucky, and Evansville, Indiana. Aquatic Control has been in the lake and pond management business for over 45 years. Our staff consists of fisheries biologists and technicians with a combined 125+ years of experience in aquatic vegetation management, fisheries management, product sales, and aquatic ecosystem management. We are hiring a full-time entry-level aquatic biologist that will be stationed at our Evansville, IN office.

Duties to include the following: (Most frequent duties at top)
- Aquatic Veg. Management through EPA registered aquatic herbicide and algaecide application
- Installation and maintenance of aerators, fountains, and compressed air systems
- Data entry and management, record keeping
- General maintenance of trucks, boats, equipment, and grounds
- Speaking at pond clinics, trade shows, conferences, and public meetings
- Aquatic plant surveys
- Fish management: population surveys
- Assisting with fish survey reports
- Assisting with and creating vegetation management plans

Minimum Requirements:
- Bachelor’s Degree (preferred) in fisheries science, natural resources, or biology related field
- Experience with aquatic vegetation identification
- GPS and GIS experience
- Basic mechanical ability (experience in outboard motor operation is a plus)
- Ability to work in an outdoor environment (physical labor required)
- Ability to work an average of 50 hours per week during busy season.

Compensation:
- Hourly pay based on experience, averages $27,000-$32,000 first year
- 401 K with company match on first 3% after 1 year of employment
- Company health insurance plan after 90 days
- Profit sharing plan after 1 year
- Earned Time Off
- Time and a half hourly rate for overtime hours

Application Deadline is May 01, 2016
(Early Resume Submission Encouraged – Position May Fill Quickly)
