The Nez Perce - Clearwater National Forests will soon be filling a Forestry Technician, GS 8/9 Timber Sale Preparation position.  This is a permanent full time position located in Kooskia, Idaho.

Vacancy Announcement
The position is anticipated to be advertised for two weeks in April 2016.  The Forest provides a unique learning and training experience for all levels of sale preparation and sale administration, due to our active sale program, diverse logging systems and terrain, and extensive interaction with other resources.

About the Position (Described at full performance GS-9 level)
Primary duties consist of timber sale layout and contract preparation including logging systems and transportation analysis, economic feasibility, sale layout, timber marking and cruising.  Timber cruising responsibilities include determining type and intensity of timber cruise and estimating quantity/quality of commercial timber.  Must be proficient with Global Positioning System (GPS), map, or aerial photograph methods for acreage determination and be familiar with ArcGIS computer software.  The selected individual shall be able to write reports describing timber sale, resource, topographic features, and compliance of timber marking with guidelines.  Other expected duties include multifunctional work, as assigned, in other areas of resource management such as wildlife, recreation, visuals, resource planning, and fire management.  
Assets to the job include skyline logging working knowledge, Global Positioning System (GPS) and ARCMAP GIS capabilities, NEPA and sale administration knowledge, in addition to the presale experience.
Specific program duties and responsibilities include the following:
•  Applies the technical methods, practices, and procedures of timber sale preparation as well as management practices, agency policies and programs, to execute complete conventional projects or oversee day-to-day field operations in the area of timber sale preparation.
Reviews and/or develops the contract and related pre-sale data such as the logging plan, environmental assessment report, appraisal, etc.

Serves as the Contracting Officer’s Representative (COR) on service and/or stewardship contracts.

Serves as Interdisciplinary Team member. Analyzes timber sale proposals or options for each alternative and prepares specialist reports.

Supervises a 1-4 person presale timber crew.

**Duty Station**
The position is permanent full time located on the Nez Perce-Clearwater National Forests stationed in Kooskia, Idaho.

**NEZ PERCE - CLEARWATER NATIONAL FOREST:**
The Nez Perce Clearwater N.F. sells about 125,000 ccf (65 mmbf) per year and the Central Zone’s share is about 60,000 ccf (32 mmbf). Sale logging systems consist of about 20% tractor, 75% skyline and 5% helicopter. The Zone uses stewardship contracting on 75% of the sales.

The Nez Perce - Clearwater National Forest includes approximately 4 million acres of land that ranges in elevation from 1,600 to almost 9,000 feet. The Supervisor’s Office is located in Kamiah, Idaho. The Nez Perce - Clearwater National Forest offers an abundance of recreation opportunities. From hiking to horseback riding, whitewater trips, to snowmobiling, bird watching to big-game hunting and blue ribbon trout stream fishing…. The list goes on, matching the numerous interests of the Forest’s visitors. Of course, there’s plenty of opportunity for leisurely camping as well as challenges awaiting the visitor to the backcountry or the Selway-Bitterroot Wilderness.
