Job Summary

Cardno is a professional infrastructure and environmental services company, with expertise in the development and improvement of physical and social infrastructure for communities around the world.

Cardno is seeking a Restoration Field Supervisor in our Cincinnati, OH office. Under the direction of Project Managers, performs and supervises field technicians in a variety of tasks related to natural resource management and restoration projects.

Responsibilities include, but are not limited to:

> Implementing and supervising restoration project work at the ground level under the direction of Project Managers
> Native planting, seeding, erosion control installation, herbicide application, prescribed fire or any other activities necessary with field implementation of ecological restoration projects
> Supervisors may be required to spend up to 1-4 nights per week out of town working at remote locations
> Adhering to corporate policies, operate through the proper management channels, and act in the best interest of firm
> Communicate, document, and implement safety practices and field reports
> Communicate with clients with minimal supervision, contribute to add-on work from existing clients and help identify and cultivate new client relationships

Key Responsibilities

Please see above

Other Requirements

Basic Qualifications:

> Bachelor's Degree in Life Sciences (Ecology, Environmental Science, Botany, Biology, Fisheries, Forestry) - or equivalent experience
> Experience with herbicide handling and application
> Supervisors will be required to obtain Commercial Pesticide Applicator's License
> Valid Driver's License
> Ability to drive truck and trailer combinations (GVWR > 26,000)
> Standard First Aid, CPR, and/or Red Card

Desired Qualifications:

> Experience operating equipment such as tractors, ATVs, chainsaws, and/or skidsteers
> Bilingual (Spanish) is a plus
> Experience with GIS/GPS mapping

* Please Note that selected candidates will be required to pass a drug, background and reference screening.
