Duties: Intern foresters will work alongside professional foresters and staff in pursuit of their duties. Examples of work include cruising timber, writing forest management plans, planning and executing prescribed burns, assisting communities with forestry projects, growing and caring for seedlings at our nursery, following up on genetic work in progress, one week as a counselor at Oklahoma Youth Forestry Camp, and more. Plan to be outside all summer in many locations across the state.

Education and Experience: Requirements for an intern forester are two or more semesters of university course work toward a bachelor’s degree in forestry from an accredited university. Secondary consideration will be given to students working toward NREM degrees in other disciplines.

More Information: Contact Craig Marquardt at 918.465.2082 with questions about the Wilburton position. You may email questions to craig.marquardt@ag.ok.gov

How to Apply: Email a resume and one page cover letter describing your major field of study, your qualifications and explaining why you are the best candidate for our summer intern program. Send materials to Craig Marquardt at the email address above or mail hard copies to:
