Fire jobs soon to be advertised starting January 6th, 2016.

The Northern Region of the Forest Service will soon be announcing and advertising all of our temporary positions throughout North Idaho, Montana, and parts of the Dakotas in January 2016.

Please see our website for more information.

The job announcements for temporary hiring will be advertised in phases. The advertisements will be only open for 7-8 calendar days on USAJOBS, so it is important to get prepared for these timeframes. The following are the phases and timeframes for the various positions that we have in Region 1.

Individuals interested in these positions are encouraged to create an applicant profile and build their resume in USAJOBS as soon as practical in advance of the opening date and open period.

- **Phase 1 January 6 - 12, 2016:** Includes all fire fighter and fire management positions
- **Phase 2 February 3 – 9, 2016:** Engineering and surveying technicians, forestry technicians, hydrologic technicians, biological science technicians, archaeological technicians, equipment operators, motor vehicle operators, laborers, and maintenance workers, recreation, wilderness, trails technicians, and animal packer positions
- **Phase 3 March 2 – 8, 2016:** Visitor information/guides, office services, Youth Conservation Corps aids/leaders, and other new 1039 hour positions not filled in Phases 1 and 2.

You can see the pre-announcements for these positions as they are being uploaded into our outreach website.

See our “Tips – How to Get a Forest Service Job” and “FAQ”. And, you are welcome to view our webinar on “How To Get A Forest Service Job”.
