

SUPPLEMENT
TO LOG
1989

ALEXANDER, ROBERT F. My brother **DAVID A. SCOTT** (FOR '41) is a retired Navy Captain...fighter pilot...living and playing golf in Savannah, Georgia.

BARNES, WILLIAM B. B.S. For Products '61. Since 1966 been employed by U.S. Fish & Wildlife Service as Realty Specialist (Appraiser/Negotiator). Working in Northern Plains (N. Dak, S. Dak. & Mont.) acquiring waterfowl habitat. Married - wife, Lucy. Children - Tonya & Rhonda.

BARTELT, WILFORD E. Buying logs for National Veneer & Lbr Co., Seymour, IN until Mar 31, 1989. Then "Retire" - going to travel. Still Round Dance. Married to Bette - 1 son, Phillip; 2 grandchildren, John & Meg.

BAUMBAUER, DAVID AND CATHY (MOORE) David: Manager of Plant Growth Center at Montana State Univ. Ag. Research Complex w/ greenhouses, growth rooms, growth chambers. Cathy: Graduate student in Geography at M.S. U. & works at 'Patchwords' Quilting Store. Thesis work in city planning. We have been in Montana since '83. Going to grad school, worked for Champion 'Int'l. Timberlands Nursery in Plains, MT then to Bozeman in '87. Enjoy xc skiing, mountain bicycling, and fishing. Had an exciting summer w/ Yellowstone N.P. fires only 90 miles away.

BENNETT, DONALD B.S. Purdue 1978 Forest Management. Obtained MBA from Ball State Univ. 1987. Supervisor Environmental Affairs Allegheny Ludlum Steel Company, New Castle, IN. Hobbies: Golf.

BERNA, DAVID F. I'm still SCS forester in Ohio and tree farming in Scott Co., Indiana.

BERTRAMM, JOHN G. Class of '69. John and his wife Lois and daughter Devon live in Port McNeill, British Columbia, Canada. He is General Superintendent for Canadian Forest Products Ltd., Englewood Logging Division. He is a Registered Professional forester and is very active in Killer Whale Watching and salmon enhancement being President of the Port McNeill Marine Charter Association and Chinook Club. The forest industry news from B.C. is not good. The forest land base is being eroded at a faster pace everyday with large tracts of forest land being preserved or set aside for single use. There is tremendous pressure on B.C.'s forest tenure system from environmental and native Indian groups. Even the CBC public television corporation has refused to run the industry's "Forest Forever" forest management advertisements saying they are too controversial. The Canadian forest industry and forest managers are facing an uphill struggle. As Charlie Miller would say, "It's time to pick up our marbles!"

BILLOT, JOSEPH P. Class of '69. I'm still around. I work as a Staff Forester for the City of Colorado Springs, Natural Resources Division. It's a great job where I deal with a number of Urban Forestry programs like DED, damage appraisals, Arbor Day, insect and disease control, etc. I invite any Purdue Foresters to stop by for a tour if they come through Colorado Springs. We have a great city with a tradition of tree lined streets and beautiful parks. My best to all at Purdue Natural Resources and my old classmates. It was good to run into Harvey Holt and Dave Breedlove at last summer's ISA conference in Vancouver B.C.

- BOSSE, SUSAN M. MAJEWSKI** BSF 1980. My husband - Darrel and my son - Ryan & I live in Bourbon, MO. We are managers of American Log Homes Midwestern Sales and Manufacturing Plant. We produce and sell LOG cabins, homes and commercial structures throughout the U.S., Canada and Japan. Hobbies include fishing, camping, and photography.
- BRUNER, HAROLD** Class of 1970. After 15 years with Weyerhaeuser Co., IDNR and a small farm management company, I became a self-employed Consulting Forester in 1986. My wife is a teacher's aide. We have a daughter, age 15 and a son, age 13. Hobbies include attending our kids' school and sporting events, coaching girl's softball, and traveling.
- CHOUINARD, EUGENE D.** Just a brief note to say HI - I have a daughter (Veronica) who is a Junior at P.U. this year. I had dinner with Jim Huddleston this past July - a lot of old war stories got told that night. I see Barry Williams periodically.
- CLARK, F. BRYAN** BSF 1949. I currently spend considerable volunteer time on Society of American Foresters affairs as a member of the Council from Region VII and chairman of the National Finance Committee. Also, I have just completed work on a publication called Central Hardwood Notes. It is 85 short how-to notes on hardwood management for various uses. Nearly 100 experts throughout the Central Hardwood Region authored notes. It will be published in the spring of 1989 by the North Central Forest Experiment Station.
- CLARK, KEVIN D.** Job: Veneer buyer for International Veneer Company. Hobbies: fishing, backpacking, mountain climbing, Purdue sports. Married to Marth Kay Clark.
- CLYMER, MAJOR GREGG N.** Now living on Kadena Air Base, Okinawa. I'm chief of the Western Pacific Rescue Coordination Center. We cover 55 million sq miles of the world. I'm still playing alot of golf and back into scuba diving. Beth and the kids are living back in Alluequee due to Air Force requirements. Hope to retire there in 3 years. Write me guys!
- CRAIL, CHARLES J.** Retired 7/30/88 as Public Affairs Officer of the Daniel Boone National Forest.
- CRUSER, ALAN BRIAN** BSF '81. District #6 Forester, IDNR Division of Forestry. Owner/Operator - Orchard Knoll - apples, peaches, pears, plums, cherries.
- CULMER, WILLIAM R., COL AUS (RET)** Retired from Army 1972. Last assignment - Director for Intelligence and Security (J-2). Former name - Defense Nuclear Agency.
- DARRELL, CHARLES E.** Semi-retired, July '78; complete retirement, Jan '87, from an environmental control business as training and safety coordinator. Belong to P.U. Alumni Assoc. P.U. Club of Lake County, Michigan State Alumni Assoc., Greenpeace, SPCA, AARP. Am a golf nut, and birder. Both wife and I are very much involved in keeping an eye on local, state and federal legislators and activities via phone, telegrams, letters and meetings. We visit the campus frequently, encourage our grandchildren to attend the Alma Mater, and are enjoying life to the hilt.
- DAVIS, HUBERT O., JR.** Class of '52. Will be retiring from IBM next January after 30 years service. Have been spending the last 12 years working on the overall efficiency of the software used in the shuttle onboard computers. Stay active in

many environmental problems and organizations. Just completed 2 years as chief for our local Sierra Club Group. Try to make use of my forestry training as much as possible.

DeWEES, JOSEPH W. Class of '35. Leisurely retired, after graduating (in absentia) having been drafted by Indiana State for forestry work with CCC, mostly at Bluffton, LaGro, Clark County, etc., etc., then off to war (AF), Mitchell Field, Selfridge, Italy, back home to Kelly AF Base, TX., out of AF, brought place in Brown County. Here's Home! Married Ameliaa Cherry of Greenfield during CCC stint; two sons living. Love to travel, Russia with square dance group in '79; Germany, Italy, etc. with another square dance group '85. Still do it whenever! Love to travel AMTRAC to visit son & family in Tacoma, WA, vicinity. Walk the woods with my dog nearly daily!!

DOEDE, WAYNE Owner & president of Doede Nurseries & Garden Center - Full Service Landscape Company, greenhouses, power equipment, 100 acre nursery. Married to Donna Corey Doede (Purdue '66); 3 children, oldest is daughter attending Purdue ('92). Past president Chamber of Commerce, member of plan commission, active in Methodist Church. Office number 815/ 485-8251.

ECKART, LEE E. Employment: Yellowwood State Forest - Timber Specialist.

EVERAGE, DANNY I am employed at Kimball Office Furniture Div. of Kimball International. Everytime I see a piece of wood cut I think of Wood Technology Lab. I am living in Borden, Indiana, near where I grew up. I have two sons, 10 & 12 years of age - and have been happily married to Laura (Eubanks) for 16 years. I can't imagine how much the Forestry Dept. at Purdue has changed since I graduated in 1970.

FAHRENHOLZ, FRED Retired service station operator for past 30 yrs. Now employed full time as rental car manager for Heart Automotive (Chev store) in Middletown, Ohio. Bought a Goldwing Aspencade for my 70th birthday last April - enjoyment unlimited - Best Regards To All. (P.S. Have an "adopted" daughter coming to Purdue next fall - Engineering School. How about that!? Her name is Stacy Lyon.)

FORVILLE, DAVID R. Still in the Army in the Washington D.C. area. Completed a tour in the Pentagon, got promoted to Colonel and looking at a move Spring 89 to St. Louis to become a project manager in the Aviation R & D Arena. Family - Sandy's career launched in the patent business; kids - oldest married (Army wife), 2 in college (D.C.), youngest in high school. Bottom line - I'm still laughing so it must be fun.

GETTY, MONICA M.S. Grad Student 1987 (Short-Tailed Shrew Project with D.C. Andersen) I'm now living in the Florida Keys, and I'm working on my PhD through the Cooperative Wildlife Research Lab at Southern Illinois University at Carbondale. My project is on the habitat of the endangered Key deer down here. I'll be here for another year studying the freshwater and vegetation communities and how they are important to the deer (I've been here a year already, so it's a 2-year field stint). After the year is up I'll return to Carbondale to complete the degree. In the meantime, I will be married to Martin J. Folk, a fellow wildlife grad student at SIU, on Sept. 2, 1989 in LaSalle, Illinois, my hometown. His project is on Sandhill Cranes in Nebraska's North Platte River Valley. My hobbies down here are of course snorkeling and SCUBA diving, and enjoying the year-round gorgeous weather we have. Tell everyone I said HELLO!

GINN, WM. E. As of July '89, I will have been retired from the Indiana Division of Fish and Wildlife, Department of Natural Resources, for 10 years and enjoying every minute. Golfing weather is tolerated much better than the cold months; and when time permits from golfing, I make use of my fishing gear. I am sorry to say that hunting has not been a portion of my activities other than in reading and thought. For 8 years after retiring, I was Treasurer of the Indiana Wildlife Federation. I have retired from that job and spending considerable time as Lay Leader at our church. What time is left is devoted to my wife, LaNore, my son and my daughters family including three grandchildren. We still live in Indianapolis, although friends say we are gone a great deal.

GROSSMAN, TONY BSF '84. Married Lori Lynn Love in Lawrenceburg, IN on February 14, 1987. Gave birth to son Samuel Thomas on July 16, 1988 at Lafayette, IN.

GUYER, WALTER HILLIS B.S. '38. Walter a professional forestry consultant and land surveyor, died Saturday in the Jackson Veterans Administration Center after an illness (cancer). A native of Morgan County, IN. He received his masters degree from Delta State University in natural sciences in 1985. He was associated with U.S. Gypsum Co. and from '47 to '71 he was land surveyor and forestry consultant for Anderson-Tully Co. He retired in 1971 to form his own company being well known in Arkansas, Louisiana and Mississippi land management under his supervision. He is survived by his wife, Mary Richardson Guyer of Greenville and a daughter, Jane Nell G. Luster of Baton Rouge, La.

HAFELE, MARION F. Forestry '48. Retired after 35 yrs. with The Mead Corp. (Wood/Chip Procurement). Hobbies: square dancing, hunting, travel, investments. Wife: Annie (Stinson) Hafele (Home Ec. '44), retired. Daughter: Sue - manages retail/wholesale nursery in Fairfax, VA. Son: David - (N.C. State U. - '74, Forestry WST). Major, Army Ordnance. Awarded Legion of Merit, the army's highest award given during peacetime.

HALL, WALTER L., JR. B.S.F. 1980 Wildlife Mgt. Since graduation I have been Superintendent of Grounds for Western Hills Country Club in Mt. Vernon, IN. I remain quite active with local conservation groups and spend much free time pursuing outdoor recreation activities. I look back at my time spent at Purdue quite fondly, and hope to renew some day many of the friendships initiated in the late 1970's.

HAMMER, DENNIS G. I am still working for the Marion County Sheriff Dept. patrolling the north side off Marion County. I was assigned to patrol Eagle Creek Park for 2 years and really enjoyed it. I recently had a chance to help DNR Officers serve some arrest warrants on some Indianapolis residents for theft of numerous black walnut trees from throughout Central Indiana. It felt good to at least do a little bit to help.

HAYASHI, YUICHI Hi! From TOKYO. Do you remember me? Five years has passed since I left Purdue. I have now a wife and a daughter. My job is to import laminated wood staircase from Thailand. Do you know where I can find in the U.S.A.? I attended Honolulu Marathon twice. I want to challenge IRONMAN RACE in Hawaii someday. Take care!

HEDGLIN, CHARLES L. Charles LaGrande "Chuck" Hedglin; BSF 1969; District Management Assistant; Kentucky River District; Kentucky Division of Forestry; Hazard, Kentucky.

- HERMAN-THOMPSON, NANCY** B.S. 1976 (Conservation) We live on the Outer Banks of North Carolina, a mile from the ocean. I am a Registered Land Surveyor working for a consulting Engineering firm. My husband Scott and I operate a part-time firewood business. We buy logs from a company working in the Great Dismal Swamp area and sell the wood locally to condominiums and vacation homes. We enjoy boating and fresh/salt water fishing.
- JAMIESON, SCOTT** After marrying a fellow Purdue Alumnus this summer my wife Diane & I relocated to Woodridge, IL - a western suburb of Chicago. I am Sales Manager with ChemLawn as well as Tree & Shrub Care Field Service Manager. I have just begun an M.B.A. program at DePaul University in Chicago. I had the fortune to spend a week hiking the "Monong" on Isle Royale 2 years ago and a week on the Appalachian Trail last summer. Married life may keep me at Hilton's and Holiday Inn's on vacations now; sacrifices.....
- JOHNSON, W. FRED** (U-GO) B.S.F. 50 Re-Tired (Dunlap); Divorced; Golf every day; 20 yrs at Hoosier Veneer Indianapolis, 15 yrs Wood-Mosaic Louisville, 3 yrs unknown!; Telephone 317/364-1191
- JOHNSTON, W. T.** Enjoying retirement (AT&T Engineering Manager) with wife, bassboat and bird dogs! Do some consulting work with Texas A&M Univ. and all too busy. Ya'all come see or call when you're close. Bill (Highwater) Johnston (512) 869-4704.
- KEYLER, DANIEL E., Ph.D** Married - wife Cheryl (works in Veterinary Med - Minnesota Zoological Garden. Children - Trevor and Courtney. Employment - Research toxicologist with Hennepin County Medical Center and the Minneapolis Medical Research Foundation. Research- study pharmacokinetics of toxic compounds and the development of monoclonal antibodies to alter their distribution in tissues. Hobbies - working with Wisconsin Academy of Science studying rattlesnake population status and distribution on upper midwest.
- KLEIN, J. JEFFREY** B.S.F. 1980 Went to work as a seasonal employee for the Salmon National Forest in Idaho. Then joined the U.S. Peace Corps and spent 2 years in Kenya doing Agro Forestry Extension work. Now I'm an "environmental Specialist" for Unitek Environmental Services, here in Honolulu.
- KNOWLES, STEVE & SUSIE** Stephen M. Knowles, B.S. Wildlife Science, 1976, presently farming and working International Packing Corporation. Susan Morgan Knowles, B.S. Forestry, 1976, presently working Soil Conservation Service. We have 2 boys; Sam- age 10, Jamie- age 5.
- KORN, MARK ERIC** Now living in Santa Claus, IN. Sales/Wood Technologist for Jasper Wood Products. Married. Previously spent 4 years with Forest Service in Idaho.
- KRAUCH, HERBERT C.** Retired 1987. Professor Emeritus of Wildlife Science from Purdue. Keep busy as editor of HOOSIER CONSERVATION, Indiana Wildlife Federation (IWF) bimonthly magazine. Represent Indiana Wildlife Federation on Steering Committee for National Wildlife Federation Lake Michigan Sport Fish Consumption Advisory Project. Represent IWF, Ruffed Grouse Society, and Wild Turkey Federation on Hoosier National Forest working group. Active in Hoosier Outdoor Writers and Association of Great Lakes Outdoor Writers. Play golf and fish to fill in the

blanks. Live in W. Lafayette. Wife, Ruth, still works as hostess at PMU and daughter, Susan, is Assistant Editor and Director of Advertising for Purdue Alumnus magazine.

LARIE, EDWARD G. I have been retired for almost ten years after 30 years of Government Service. My wife of over 40 years is the former Marilyn Rycraft of Lafayette. I would like the address of Phil Bonnell who graduated with me in 1948. (6905 Smokey Hill Road; Austin, TX 78736)

LINDERMAN, JOHN E. Living at Family Farm - planting black walnut & small Christmas tree plantings. Work for Soil Conservation Service since '69 graduation - primarily in southern Indiana, so keep in touch with woodland. Married (wife - Carmen) and 2 sons (Mike 18, Mark 14).

MEDESY, WILLIAM A. '31. I send greetings to all of my classmates and invite them to write to me. (15601 E. Jefferson Ave.; Aurora, CO 80013)

MEINERS, PAUL J. I started working in research and wood-product development 43 years ago; moved onto production work and then into sales. Currently I'm in sales of prefabricated homes and other building products - classified as semi-retired, my wife of 41 years died recently and I am trying to keep active through some work & some play.

MITZ, STEPHEN V. I have been employed at the Savannah River Ecology Laboratory since June 1984. My position title is Research Technician III. Currently, I am in the Biogeochemistry Division, working with a soil chemist. We're studying mobilization kinetics of heavy metals from lake sediments as a function of redox conditions (thus much more environmental chemistry and less biology or aquatic toxicology than my educational training would suggest). I live in North Augusta, S.C. My hobbies include running and regular calisthenic workouts, hunting, fishing, wines of the world and reading. I'm also still a big boilermaker football/basketball fan!

MORFOOT, COLLEEN I'm employed as a Public Affairs Specialist with the Forest Service-Forest Products Laboratory in Madison, Wisconsin. I prepare programs for the many U.S. and international scientists that visit the Lab each year. It is a challenge to work with so many areas of wood research and with many different cultures. My background in Interpretation is particularly helpful in explaining wood research to visitors and in working with our Tour Guide program. I enjoy outdoor activities as hiking, running and tennis. My most recent and favorite activity is playing the hammered dulcimer.

NYE, JAMES '51. I've retired after 31 years with International Paper Co. Planning to move to Toledo Bend Lake in Louisiana this year.

PERCIVAL, DON BSF 1953, MSF 1956. My career work has included doing research with structural components for light-frame construction at the Small Homes Council, University of Illinois. I have been active in the Forest Products Research Society, The American Society for Testing and Materials, The Truss Plate Institute and The Wood Council of America. Nell and I recently celebrated our 44th anniversary and plan to retire later this year in Brown County, Indiana. One of my long time hobbies is playing bass with the Medicare 7,8 of 9 Dixieland Band, a group of old and retired U. of Ill. faculty.

PETERSEN, JACK W. Presently employed as supervisor of Buildings and Grounds for Teachers Credit Union which is the largest credit union in Indiana. On November 25, 1988, my wife Helen & I celebrated our 40th wedding anniversary. I have circled October 14th on my calendar. Looking forward to the weekend festivities for the 75th celebration.

REID, RICHARD G. B.S. in Forestry and an M.S. in education from Calif. State University at Hayward. Has recently been appointed associate director, continuing education and meetings, of the Society of American Foresters. Was principal consultant for R. Reid Resource Services of Missoula, Montana, which he established to provide public and governmental relations, professional writing, and technical and policy analysis services. Prior to that, Reid served as executive vice-president of the inland forest Resource Council, an organization of forest-products industries in Montana and northern Idaho. Before moving to Missoula, he spent 11 years with the Western Timber Association in California.

RICHERT, ALVIN R. 1971 B.S. Forest Management. Currently in the USAF working as a Cost Analyst for the Dean of Faculty at the United States Air Force Academy. Recently returned from a tour in Turkey. Married; two boys ages 9 and 10. Recently restored a 18 1/2' wooden canoe for fishing the high mountain lakes of Colorado. Placed an antelope and whitetail deer in freezer this hunting season.

STONE, LARRY AMOS BS Forest Production '75. Charlene & I have spent the last 12 years traveling around the SE with the U.S. Forest Survey. Recently I completed a MS in Forest Planning & Analysis at Mich. State University and have just transferred to the Tuskegee National Forest in Alabama. Do you remember the smell of the northwoods mornings at Lost Lake?

STONEBRAKER, ROGER Occupation: Property manager at Lasalle Fish & Wildlife Area in Lake Village, IN. Hobbies: Bird hunting (upland), golfing, fishing & traveling. Wife: Cecilia - working as Med. Tech. in Crown Point. Son: Travis - 16 yrs. old. Other family - 3 E. setters.

TAYLOR, CHARLES E. Still Reclamation Specialist for the Office of Surface Mining Reclamation & Enforcement, U.S. Dept. of Interior. Office is in the Minton Capehart Federal Building, 575 N. Pennsylvania St., Indianapolis, IN. Phone 317-226-6166. We inspect coal strip mines for compliance with state & federal laws. John Hershey also works in our office as Program Specialist.

TREADINELL, HARRY A. Retired - 12/31/85 - Freeman United Coal Mining Company. Traveling lower 48 and Alaska. Married Carol Rorlee - Purdue 1944 - 2 daughters - 2 grandsons.

TURNER, SCOTT Class of 1979, Forest Management. I'm an associate editor for Ohio State University in Columbus. I'm also studying for a masters degree in journalism. After graduation from Purdue, I worked for the New York City Department of Parks and Recreation for five years. There I began as a park ranger and left as a community liaison. I've also worked as an editor for a research and development firm and briefly as a research assistant in the USFWS. My hobbies include going to the movies and theatre, reading, traveling and hiking. I'm also active as a volunteer in conservation issues. My address is 3153 Dorris Ave.; Columbus, OH 43202. My phone is (614) 262-7180. I'd love to hear from others.

VANADA, JOHN D. Wildlife '71. Farming in Parke Co., married with 3 children, boy 14, girls 12 & 6. Have spent the last few winters helping IDNR with turkey trapping in Parke Co.

VAN PUPPEN, GORDON Retired - Wayne County, MI 1984 - Parks & Forestry. Presently - employed by city of Grand Rapids, MI Parks Dept.

WACHOWIAK, MELANIE BETH FULLMAN Work: Forest Fire Officer, Gaylord Area Office; Michigan Dept. of Natural Resources; P.O. Box 667; Gaylord, MI 47935. 517-732-3541, ext. 5452. Hobbies: Skiing (cross-country & downhill), National Ski Patrol member, canoeing, competitive volleyball, softball, backpacking, part-time firefighter & Emerg. Medical Technician (EMT) for local, rural fire & rescue dept.

WALZ, FRED We live in a rural community near Grand Rapids, MI on 10 acres, partially wooded. We have 3 children; Marie 19, Martha 16 and John 14. Ann teaches French at Grand Rapids Junior College where Marie also attends classes. My brother, David Walz is still in the North Bend Oregon area involved in forest management. I am currently manager of product engineering at Steelcase/Stow & Davis.

WEADICK, MARK E. I have worked for the Idaho Dept. of Lands for 29 years. My job, as supervisor, Forest Improvement, includes providing administrative direction & technical assistance to our field units for reforestation, precommercial thinning & genetic tree improvement on state owned lands. We have five children, and one son, Joe, will graduate from Purdue (EE) this May(1989).

WEBB, ROBERT C. I'm enclosing a photo you might like to use in the log (the cigars are strictly props!). I've just recently retired from high school teaching of botany & biology. My wife, Janet, also a retired teacher, and I have a new van now to use in some hoped-for US travels. I'm deeply involved with nature and environmental groups.

WIERMAN, CHUCK I am the corporate silviculturist for Boise Cascade Corp. in Boise, Idaho. Married - 2 children. Hobbies - cross country skiing - kids sports coach.

WILLIAMSON, COL. J. M. I continue to keep busy with volunteer work and care of a 2 1/2 acre lawn. The latter keeps me in shape. I know have ten grand children and one great-grand child. Rachel and I had a great trip to South America last year. We plan to attend my 50th class reunion in April. Hope to see some of my classmates again. Our children now live in Massachusetts, Texas and Arizona. We visited them and families in 1988. I am enclosing a photo taken on retirement. The hair is a bit more gray now. Am also enclosing a snapshot taken at Forestry Summer Camp in 1936 for a bit of nostalgia.

WOOD, BRIAN & RIVA (DUNCAN) We got married in Sept. 1988. We live in Warren, PA, on the edge of the Allegheny National Forest and really enjoy it. Brian is a veneer log/standing timber buyer for the David L. Webb Co. I am in between jobs after working for a consulting forester.

WROBLEWSKI, DEBBIE I work for the government - completed a MBA & MSA degree program and I am starting a part-time business in used book sales & search service.
