The workshop is a one day introduction to United States Department of Agriculture Food Safety and Inspection Service sanitation requirements for meat, poultry, and egg product processors. It provides an overview of the Standard Sanitation Operating Procedures, selection of cleaners, sanitizers, employee training and sanitation program validation.

This course is recommended for plant managers, quality assurance, sanitation supervisors and other personnel involved in managing daily sanitation activities in meat and poultry processing plants. In this course, participants will learn about sanitation requirements, how to train sanitation crews, and how to validate sanitation programs.

**Registration**
The registration fee for the workshop is $125 per registrant. This includes a three ring binder of information, lunch, and refreshments in the morning and afternoon. Please return the registration form as soon as possible. An additional Development and Implementation of HACCP and Prerequisite Programs workshop will be offered on October 12-14. Please see enclosed brochure for more information on the HACCP workshop.

Registration deadline for the workshops is September 21, 2009.

**Cancellation Policy**
Registration cancellation prior to September 18, 2009 will result in a 50% refund in registration fees. Cancellations after that date may substitute a person, but no refund will be provided. All cancellations must be received in writing or by fax (765) 494-7953. Indiana State Poultry Association will not be responsible for any expenses due to cancellation.

**Lodging**
A block of rooms are reserved at the Hilton Garden Inn Hotel, West Lafayette, for October 11, 12, 13, and 14. Room requests to the hotel should be received no later than September 20, 2009. For room reservations contact the Hilton Garden Inn at 765-743-2100. When placing your reservation be sure to mention that you are attending the HACCP Workshop to receive the special rate.
