Fellowship Recipients

The following students have received fellowships:

Bilsland Fellowships

Manalee Samaddar
Harrison Helmick

Ross Fellowship

Anael Kimble

Ross Lynn Fellowship

Amandeep Singh

Harrison Helmick is featured in the College of Ag Research Spotlight for this month.

Harrison Helmick, Ph.D. Candidate

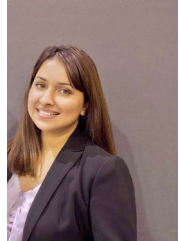

Mentored by Dr. Jozef Kokini

"I believe there's a lot of good research done in academia that isn't communicated effectively to industry members. I try to keep more of an industry-focused slant to my research."

[Read more about Harrison's research on plant-based proteins and their applications to improve the texture of foods](#)

Spring 2023 Graduates

			
Zachary Berglund M.S. Feng Lab	Gurpreet Kaur Ph.D. Oliver Lab	Dongqi Liu Ph.D. Bhunia Lab	Juan Velasquez Domingo MS Huang Lab

Our graduate students are vital to our department's research activities and impact. We celebrated Graduate Student Appreciation Week April 3-7 with lunch, popcorn, trivia, pastries. Thank you, grad students! The winner for the trivia questions were:

Halak Mehta
Kamrun Nahar
Trevor Lim
Vignesh Nathan
Nuseybe Bulut
