FOURTH ANNUAL VALIDATION WORKSHOP

ASEPTIC PROCESSING AND FILLING

JUNE 22-25, 2020

Registration

About the Program
Validation Workshop: Aseptic Processing and Filling is designed for food processors that are already producing aseptic shelf-stable products or installing new commercial lines for future production needs. The workshop will provide insights into key aspects of validation and hands-on exercises with validation methods. Validation workshop will be helpful and suitable for process authorities, food and packaging engineers, microbiologists and those involved with the validation process at your facility.

Registration
The introductory fee for the Validation Workshop: Aseptic Processing and Filling is $2500.00 per registrant. This fee includes course materials, daily beverage breaks during workshop hours, two lunches and two dinners. Lodging and breakfast is not included. If more than one person is registering from your organization, register each participant separately. Please register as soon as possible, space is limited. Advanced registration is required. The registration deadline June 2, 2020.

Online registration available
Validation Workshop: Aseptic Processing and Filling

Transportation
Most conference attendees fly into the Indianapolis International Airport, located 65 miles from Purdue University’s West Lafayette campus. Lafayette Limo offers daily departures. For schedules, rates, and reservations, visit Lafayette Limo at www.lafayettelimo.com, or call (765) 497-3828. Car rental is available at the airport. Only transportation required during the workshop will be provided.

Housing and Meals
Some meals are provided including two lunches, two dinners, and snacks during the workshop. Breakfast is not included. There are several local restaurants offer convenient locations for meals not provided. Dinners provided will be held on or near campus. Transportation will be provided.

Location and Time Zone
The workshop will be held in Philip E. Nelson Hall of Food Science Building (NLSN) hosted by Purdue Extension and the Food Science Department. The address is 745 Agriculture Mall Dr. West Lafayette, IN 47907. Purdue University observes Eastern Standard Time.

Parking
Visitor parking is available in Harrison Street parking. Parking passes will be provided for this parking garage only. The parking garage is located in less than a block from the lecture location. Exit garage and head east to University street. Parking passes will be handed out on the first day which will be valid for the entire workshop.

Refund Policy
All attendees must pay in advance in order to attend an event. Refunds of fees paid in advance for non-credit activities may be made for a participant who subsequently is unable to attend and who requests in writing a refund prior to the event. For the complete refund policy go the registration page or directly contact Purdue Conferences at 866.515.0023. Purdue University is not responsible for costs incurred due to cancellation.
FOURTH ANNUAL VALIDATION WORKSHOP

ASEPTIC PROCESSING AND FILLING

JUNE 22-25, 2020

Registration

Monday–June 22

11:45  Registration- NLSN 1195
12:30  Welcome and Introduction
1:00   Aseptic 101
2:00   Master Validation Plan (MVP/DQ/IQ/OQ/PQ/CIP)
3:00   Refreshment Break
3:30   Validation Requirements – FDA Perspective
6:00   Dinner on your own

Tuesday–June 23

8:00   Spoilage Investigation
9:30   Inoculated Pack Aseptic System (lab)
12:00  Lunch (provided)
1:00   Validation of UHT and A-Tank
2:00   Filler Sterilization Validation
3:30   Refreshment Break
3:45   Kinetics of Spores
6:00   Dinner Social (provided)

Wednesday–June 24

8:00   Sterile Barriers Design and Validation
9:00   Filler Pre-sterilization Lab - Team 1
       Spot Inoculation/Spore Strips Lab- Team 2
10:30  Refreshment Break
10:45  Aseptic Tank Temp. Distribution - Team 1
       Package Sterilization test - Team 2
12:15  Lunch (provided)
1:15   Filler Pre-sterilization –Team 2
       Spot-Inoculation/Spore Strips Lab- Team 1
2:45   Refreshment Break
3:00   Aseptic Tank Temperature Distribution- Team 2
       Package Sterilization Test – Team 1
5:00   Dinner social (provided)

Thursday–June 25

8:00   Use of Model in Validation
9:30   Mock FDA Filing
10:00  Validation Results Review Session
10:30  Refreshment Break
10:45  Post Process Incubation and Testing
11:30  Group Presentation
12:30  Workshop Evaluation, Feedback, Adjourn

Agenda and instructors are subject to change
