

NRES Mentoring Form

Name: _____ **Planned graduation date:** _____

Every student **must** have an annual mentoring appointment starting their sophomore year. This mentoring appointment can be with either of the NRES co-directors, any of the NRES faculty affiliates, or any other faculty member, such as a research mentor, with advance approval from co-directors. It is recommended that the student identify a mentor who works in an area that interests them. This meeting can take place any time during the academic year but **must** occur before the spring registration appointment (March/April) or the student will not receive a pin number to register for fall classes.

The student must send the faculty mentor a copy of their resume and this completed form in advance of the meeting and ask the faculty mentor to complete this form during the meeting.

To be completed by the mentee prior to the meeting:

Career Goals:

Academic/Short Term Goals:

Academic challenges:

Questions about future courses or opportunities:

Other topics you wish to discuss:

_____ Work experience/internships

_____ Graduate School

_____ Study Abroad

_____ Research

_____ (Other) _____

The following checklist should be completed by the faculty mentor:

_____ resume reviewed and discussed

_____ career goals discussed

_____ internship/research opportunities discussed

I completed this form in advance of my mentor meeting and modified it based on what I learned during our discussion.

Student: email completed form to your mentor before your meeting for review.

I have discussed the information on this sheet with my mentee.

Faculty Mentor: Please email completed form to Tami Borrer borrort@purdue.edu. Email to Tami will serve as signature.

Meeting Date: _____
