CULTURE AND DIVERSITY RESOURCES AT PURDUE UNIVERSITY

A PLACE TO BE YOURSELF. A PLACE WITH PEOPLE WHO ACCEPT YOU. A PLACE WHERE YOU BELONG.

A diverse and inclusive community is an integral part of your experience in the College of Agriculture and at Purdue University. Here is information about resources related to culture, diversity, inclusivity and social services available to you as a Boilermaker.

ACE CAMPUS FOOD PANTRY

The ACE Campus Food Pantry makes food more readily available to those experiencing food insecurity on a consistent or inconsistent basis. All you need is your Purdue ID. The pantry also focuses on eradicating root causes of hunger, including culturally appropriate food access, food use and food availability.

The AAARCC was founded in 2015. As a unit under the Division of Diversity and Inclusion, the AAARCC’s mission is to weave diverse Asian and Asian American experiences into the fabric of campus life. The AAARCC is open for everyone and there are multiple ways to get involved — with initiatives and programming in the intersections of pedagogy (teaching and learning opportunities), cultural arts and performances, as well as advocacy work.
