**HONORS CONTRACT FORM**

**Deadline: Friday of the 2nd week of classes**

An honors contract is a binding agreement between a student and faculty member that enrolls a student in an honors version of a standard course. Students should expect to produce additional or alternative work, to produce high-quality work, and to meet regularly throughout the semester with their faculty instructor. Students may not undertake an honors contract with a graduate student instructor.

The course work assigned to a student with an honors contract contributes to the student’s final course grade. When an application for an honors contract is submitted, the completed contract form must be accompanied by both the regular course syllabus and a revised syllabus showing the additional and/or alternative work assigned to the student, along with the deadlines for that work and the revised grading scheme for the course.

**PLEASE NOTE:** The honors contract enrolls a student in an honors course and therefore cannot be cancelled after the final deadline to modify a course. Failure to complete the contract will be reflected in the course grade.

**Directions:** Please supply the information requested below. Attach the standard course syllabus and a revised honors syllabus showing additional/alternative work and deadlines, along with the modified grading scale. The completed contract form must also be accompanied by a signed Registrar Form 23 (Schedule Revision Request).

**Student:** Please certify these statements by checking each box:

- [ ] I qualify for honors coursework at Purdue (3.0 G.P.A or above)  
- [ ] I am working with a professor
