

TRANSFER TO PURDUE AGRICULTURE

Start your degree in agriculture at Lake Land College and finish at Purdue's College of Agriculture, the 8th-ranked agricultural college in the world.

At the right you'll find the list of courses you can take at Lake Land College that apply to your Purdue Agriculture degree. You can choose from a number of agriculture and general education courses taught at Lake Land.

Remember that your plan may look slightly different from the one shown here, depending on the courses you select.

Always consult and follow instructions from your academic advisor to ensure degree completion.

The application process is easy.
