

***The 2021 Accelerating a Generation Syngenta Scholarship
Deadline January 14, 2021***

The application period is open for the annual Syngenta Accelerating a Generation (AG) Scholarship program for the 2021 academic year, which is available to university students nationwide. Students currently pursuing bachelor's or associate degrees in crop-related disciplines are eligible to apply.

Applicants must be U.S. residents enrolled as of spring 2021 in an accredited agriculture program at a land-grant university. All U.S. states, territories and the District of Columbia are included in the program.

For contest rules and more detailed information about the scholarship, please visit our website:

<http://www.syngenta-us.com/scholarships>.

You can apply to be considered for one of six awards, each worth \$2,500, by completing the application on the [FFA® Scholarship Portal](#). Both FFA members and non-members are eligible. **Applications must be completed by January 14, 2021. FFA members must submit supplemental materials by January 21, 2021.** If you win, you can designate an agriculture-related non-profit for a \$500 donation.

Visit the [Accelerating a Generation Scholarship website](#), where you can find more information and start the application process.
