Courses in this color are required for the Associate degree.

<sup>1</sup> A second semester of English composition is NOT required for College of Agriculture plans of study, effective F17.

<sup>2</sup> A computer course is NOT required for Purdue Agriculture.

All courses must be earned with a minimum of C- to be eligible for transfer to Purdue University. Students must meet high school and transfer requirements prior to transfer. Course equivalencies are subject to review and may change at any time. See Purdue's [Transfer Equivalency Guide](#)<sup>^</sup> to confirm current equivalencies.

**Welcome to Purdue Agriculture! Did you know nearly 15% of our students transferred from other institutions? Start your degree in agriculture at Ancilla and finish at Purdue's College of Agriculture, the 12<sup>th</sup> ranked agriculture college in the world and 6<sup>th</sup> in the USA.**

On the left, you'll see a list of courses you can take at Ancilla that apply to your Purdue Agriculture degree. You can choose from a number of agriculture and general education courses taught at Ancilla.

Your plan may look different from the one shown here, as the courses listed are examples, which may alter depending on your [Plan of Study](#)<sup>†</sup>. Always consult and follow instructions from your academic advisor to ensure degree completion.

The application process is easy. For details, visit the Office of Admission website:

[www.admissions.purdue.edu/transfer](http://www.admissions.purdue.edu/transfer)
