Courses in this color are required for the AS degree.

¹ Suggested Transfer Cluster Courses: AGRI 114, 205, or 210 (See Purdue [Transfer Equivalency Guide](#)[^] for transfer credit to Purdue Ag).

All courses must be earned with a minimum of C- to be eligible for transfer to Purdue University. Students must meet high school and transfer requirements prior to transfer. Course equivalencies are subject to review and may change at any time. See Purdue's [Transfer Equivalency Guide](#)[^] to confirm current equivalencies.

Welcome to Purdue Agriculture! Did you know nearly 15% of our students transferred from other institutions? Start your degree in agriculture at Ivy Tech and finish at Purdue's College of Agriculture, the 12th ranked agriculture college in the world and 6th in the USA.

On the left, you'll see a list of courses you can take at Ivy Tech that apply to your Purdue Agriculture degree. You can choose from a number of agriculture and general education courses taught at Ivy Tech.

Your plan may look different from the one shown here, as the courses listed are examples, which may alter depending on your [Plan of Study](#)[†]. Always consult and follow instructions from your academic advisor to ensure degree completion.

The application process is easy. For details, visit the Office of Admission website: www.admissions.purdue.edu/transfer
