**10-Year Transfer Credit Exception Authorization Form**

Academic departments may use this form to report authorized exceptions to policy that would allow awarding and use of transfer credit that was earned by students ten or more years prior to the student's entry term. Courses included must be applicable to the degree requirements for the student's program of study. All exceptions must be approved by the Associate Dean or his/her designee.

Complete the following information and deliver to Credit Evaluation in the Office of Admissions. Forms may be scanned and delivered electronically, but must include the appropriate authorization signature.
