120 semester credits required for Bachelor of Science degree.
2.0 GPa required for Bachelor of Science degree.

The highlighted course is considered critical; timely progress toward the degree depends upon steady progress through each course in the plan of study, but this course, in particular, should be completed by the semester indicated.

Consultation with an advisor may result in an altered plan customized for an individual student.

Official and complete prerequisite lists are in the course catalog; the incomplete listing presented here regards this program and course sequencing.
## Agronomy: Agronomic Business and Marketing

### Electives (6 credits)

| 6 Elective |

### University Core Requirements:

- **Human Cultures Humanities:**
- **Human Cultures Behavioral/Social Science:**
- **Information Literacy:**
- **Science #1:**
- **Science #2:**

### College of Agriculture & University Level Requirements:

- 2.0 GPA required for Bachelor of Science degree.
- 9 credits International Understanding:
- 3 credits Multicultural Awareness:
- 9 credits of Hum and/or Social Sciences outside the College of Agriculture:
