OPPORTUNITY
This opportunity is brought to you by AgVenture D&M, a member of the AgVenture, Inc., family. Headquartered in Kentland, Indiana, AgVenture D&M specializes in agronomy services for growers producing corn and soybean crops.

TIMELINE: Position is available May 1, 2020 through August 1, 2020.
HOUSING: Housing is not offered for this position.
TRANSPORTATION: Transportation will be provided during working hours.

JOB DESCRIPTION

TITLE: AGRONOMY INTERN
REPORTS TO: DIRECTOR OF SALES & MARKETING
DEPARTMENT: OPERATIONS

POSITION SUMMARY
The AgVenture D&M AGRONOMY INTERN is responsible for providing assistance to support AgVenture D&M’s on-farm agronomy services. Specifically, the AgVenture Agronomy Intern will conduct on-farm scouting for AgVenture D&M growers in Newton County, Indiana, Iroquois County, Illinois, and surrounding areas. In this role, the Agronomy Intern will conduct stand counts, scout for weed, insect, and disease pressure, and be aware of other deficiencies that may be impacting a grower’s corn and/or soybean acres.

The AgVenture D&M Agronomy Intern supports the AgVenture D&M sales team in their quest to deliver superior agronomy services to help growers achieve more yield per acre. The Agronomy Intern will excel at identifying potential issues that could impact a crop and will be instrumental in providing additional value to the grower.

ESSENTIAL DUTIES AND RESPONSIBILITIES
• Support Sales Team members with on-farm agronomy scouting services following pre-determined guidelines
• Conduct scouting visits and complete each required section of the AgVenture D&M Scouting Report
• Review the Scouting Report with the appropriate Sales Team member immediately upon completion
• Leave a copy of the Scouting Report at the grower’s location
• When applicable, communicate any immediate concerns directly to the grower
• Complete weekly agronomy report as directed

EDUCATION AND/OR EXPERIENCE
Applicant must be an Agronomy Major. Previous experience is a plus.

REQUIREMENTS
• Demonstrate essential abilities including agronomy knowledge, collaboration, communication, customer focus, decision making and skill development.
• Experience in Microsoft Office software.
• Must have and maintain a valid driver’s license and satisfactory driving record.
• Must be able to lift up to 70 pounds.
• Have the ability to travel independently.
• Follow AgVenture D&M’s Code of Conduct, Environmental Health and Safety, OSHA and DOT policies and procedures, as they apply.
