INVITE YOUR STUDENTS TO CAREER DAY AT SUMMER EDUCATION WEEK

The American Society of Farm Managers and Rural Appraisers® (ASFMRA®) would like to invite your students to attend Career Day at Summer Education Week (SEW) in Omaha, Nebraska. Summer Education Week offers classes and seminars to professionals and students from across the United States. Career Day at SEW gives students the opportunity to participate in mock interviews, speed networking sessions, farm tours and the opportunity to gather first-hand advice from young and seasoned professionals in various valuation, management and consulting positions.

ASFMRA believes that Career Day is such a rewarding opportunity that we offer up to two nights complimentary lodging to lower the monetary commitment and make it easier for students to attend. Attendance also includes lunch on both days and breakfast courtesy of the hotel. The only expenses a student would be responsible for are travel and incidentals.
