AGI Seeks Intern Candidates

Angus Genetics Inc. (AGI) is seeking a summer intern to assist with day-to-day activities of the department from mid-May through mid-August. The intern will assist with a number of AGI activities and initiatives related to Angus performance programs.

Applicants should be current or prospective graduate students, or college juniors or seniors studying animal science or a related field with an interest in genetics applied to beef cattle production. Candidates should be detail-oriented, have strong communications skills and be able to work well with all types of personnel.

Submit applications — including cover letter, résumé and references — to Dan Moser, president, Angus Genetics Inc., 3201 Frederick Ave., Saint Joseph, MO 64506; dmoser@angus.org by March 31. For more information, contact AGI staff at 816-383-5100.
